### **Collecting staff information**

Whilst the majority of staff information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain staff information to us or if you have a choice in this.

### **What are the legal reasons for us to process your personal information?**

We are required to process personal information in accordance with data protection legislation and only do so when the law allows us to. Data Protection law sets out the lawful reasons we have to process your personal information and these are as follows:

#### **1) To comply with the law**

We collect and use general purpose staff information in order to meet certain legal requirements and legal obligations placed upon the Academy Trust by UK law. We therefore have the right to process your personal information for such purposes without the need to obtain your consent.

Details of the type of processing that we must undertake, the personal data that is processed, the legislation which requires us to do so and who we may share this information with is set out in Table 1.

#### **2) To protect someone's vital interests**

We are able to process personal information when there is an emergency and/or where a person's life is in danger.

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 2.

#### **3) With the consent of the individual to whom that information 'belongs'**

Whilst much of the personal information is processed in accordance with a legal requirement, there is some personal information that we can only process when we have your consent to do so. In these circumstances, we will provide you with specific and explicit information regarding the reasons the data is being collected and how the data will be used. Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 3.

#### **4) To perform a public task**

It is a day-to-day function of the Academy Trust to ensure that staff members receive the training and support they require. Much of this work is not set out directly in any legislation but it is deemed to be necessary in order to ensure that staff are properly supported and able to do their job.

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 4.

#### **5) To comply with a contract we have with you or because you have asked us to take specific steps before entering into a contract**

We are able to process personal information in order to comply with the contract that we have with you.

Details of the type of processing that we may undertake on this basis and who we may share that information is set out in Table 5.

Special category personal information

In order to process 'special category' data, we must be able to demonstrate how the law allows us to do so. In addition to the lawful reasons above, we must also be satisfied that ONE of the following additional lawful reasons applies:

- 1) Explicit consent of the data subject
- 2) Necessary for carrying out obligations and exercising specific rights in relation to employment and social security and social protection law
- 3) Processing relates to personal data which is manifestly made public by the data subject
- 4) Necessary for establishing, exercising or defending legal claims
- 5) Necessary for reasons of substantial public interest
- 6) Necessary for preventive or occupational medicine, or for reasons of public interest in the area of public health
- 7) Necessary for archiving, historical research or statistical purposes in the public interest

The lawful reasons for each type of sensitive category personal information that we process is set out in the tables attached.

### **Who might we share your information with?**

We routinely share staff information with:

- Our local authority
- The Department for Education (DfE)

We do not share information about our staff unless the law and our policies allow us to do so.

Please refer to the tables for information about what personal information is shared with which specific third parties.

### **What do we do with your information?**

All personal information is held in a manner which is compliant with data protection legislation. Personal information is only processed for the purpose it was collected. The Academy Trust monitors the personal information it processes and will only share personal information with a third party if it has a legal basis to do so (as set out above).

### **How long do we keep your information for?**

In retaining personal information, the Academy Trust complies with the Retention Schedules provided by the Information Record Management Society. The schedules set out the Statutory Provisions under which the Academy Trust are required to retain the information. A copy of those schedules can be located using the following link:
