Dear Parents

### **Matched Funding**

We would like to thank you for supporting all the events arranged by the FOWS team who are working really hard to raise funds for our children.

We have been looking at all funding opportunities available to us and how a little of your time could enable us to DOUBLE the funds raised.

Matched Funding is offered by many companies and are willing to match any amounts raised by charities up to a set amount. Barclays Bank will match fund up to £750!

They may match the fundraising total for an event or the stall that their employee is working on. Usually the employee will need to supply them with a letter from the PTA detailing the date, nature of the event together with the total raised.

Attached is a list of companies that we believe run this scheme but this is by no means exhaustive and we would be very grateful if you could see if your employer runs a match funding scheme.

This could be a really large source of income for our school and make an awful lot of difference to our school playground, library and learning resources for the children.

If you are able to help in any way please contact one of us and we can discuss your company's requirements.

Thank you for your continued support.
